# CREOKS

*Behavioral Health Services*

Our mission is to provide comprehensive mental health and co-occurring services to individuals and families to facilitate recovery and healthy family lifestyles.

# Decades of Help and Hope

**CREOKS Behavioral Health Services** offers more than 35 years of quality outpatient mental health and substance abuse care for adults, adolescents and children. We also provide urgent care for adults in crisis through Spring Creek Recovery Center, our community-based crisis stabilization facility.

## We Can Help!

Behavioral health issues can lead to difficulties that affect every aspect of an individual's life. At CREOKS, we believe people can recover from behavioral health and substance abuse issues through effective treatment in the least

restrictive and most convenient environment possible.

**We're here every step of the way.** From the initial assessment and diagnosis, to the creation and implementation of a treatment plan, to linking individuals with outside agencies and services. **CREOKS is here to help.**

Our staff regularly assist those experiencing:

- Depression
- Anxiety
- Grief and Loss
- Stress
- Aggression
- School-Based Issues
- Bipolar Disorder
- Borderline & other Personality Disorders
- Schizophrenia and Psychotic Disorders

CREOKS Behavioral Health Services is an established, non-profit behavioral health agency that has been serving communities in Oklahoma since 1980. Our reputation has allowed us to work with local agencies, schools, and civic organizations to help individuals and families.

Our organization offers a wide-range of services in our clinics and through home or school-based programs. We help individuals needing brief counseling, substance abuse treatment or those struggling with behavioral issues.

Our professional staff is committed to the individual and strives to provide compassion and respect to our clients and their families by taking time to listen and properly assess their needs in order to provide workable and successful solutions.

CREOKS is certified by the Oklahoma Department of Mental Health and Substance Abuse Services and is accredited by CARF International.
