CREOKS Health Services is a non-profit organization providing comprehensive health, wellness and social services. Our behavioral health division has been serving communities in Oklahoma since 1980. Our reputation has allowed us to work with local agencies, schools, and civic organizations to help individuals and families.

Our organization offers a wide range of services in our clinics and through home or school-based programs. We help individuals needing brief counseling, substance abuse treatment, or those struggling with behavioral issues.

Our professional staff is committed to the individual and strives to provide compassion and respect to our clients and their families. Taking time to listen and properly assess client needs enables CREOKS to provide workable and successful solutions.

CREOKS is certified, and partially funded by the Oklahoma Department of Mental Health and Substance Abuse Services and is accredited by CARF International.

Help Today. Hope Tomorrow.

CREOKS Health Services promotes and improves the lives of the individuals and families we serve through our commitment to provide comprehensive health, wellness and social services.

Decades of Help and Hope

CREOKS Health Services delivers comprehensive outpatient behavioral health and substance abuse care for adults, adolescents, and children, backed by more than 45 years of experience. We also offer psychiatric urgent care at our community-based crisis stabilization facilities: Spring Creek Recovery Center for adults and Spring Creek Kids for youth.

We Can Help!

Behavioral health concerns can lead to difficulties that affect every aspect of an individual's life. At CREOKS, we believe people can recover from behavioral health and substance abuse challenges through effective treatment

in the least restrictive and most convenient environment possible.

We're here every step of the way. From the initial assessment and diagnosis, to the creation and implementation of a treatment plan, to linking individuals with outside agencies and services. **CREOKS is here to help.**

We regularly assist those experiencing:

- Depression
- Anxiety
- Grief and Loss
- Stress
- Aggression
- School-Based Concerns
- Bipolar Disorder
- Borderline & Other Personality Disorders
- Schizophrenia and Psychotic Disorders

Crisis Intervention Services

Spring Creek Recovery Center is a crisis stabilization facility for adults in

need of urgent care related to mental health or substance use disorders. Our facilities provide a safe & secure environment for individuals to divert from crisis and connect to the appropriate therapeutic resources.

**24/7 Crisis Line & Mobile Crisis
877-327-3657**

Our free, confidential crisis stabilization line is available 24/7 to support both adults and youth experiencing a mental health crisis.

Spring Creek Kids provides immediate, no-cost support for youth facing a mental health or substance use

crisis. The URC offers three convertible chairs for ages 5-11 and three for those 12-17. Youth in the URC are accompanied by a family member or caregiver. The crisis stabilization unit has 14 private beds for youth 12-17.
