### 24/7 CRISIS LINE

1-877-327-3657

A free, confidential crisis stabilization hotline available 24/7 to support individuals experiencing a mental health crisis. Our highly trained crisis response team will assess your situation and facilitate crisis services that best meet your needs.

### CRISIS DIVERSION

24-hour observation in a recovery recliner for those in crisis who need around-the-clock care on a short-term basis. SCRC provides a safe & secure environment for individuals to divert from crisis and connect to the appropriate therapeutic resources.

### CRISIS STABILIZATION

An alternative to hospitalization with the goal of helping individuals return to a pre-crisis level of functioning within 3-5 days. Individuals admitted to the unit are provided evidence-based mental health care & recovery oriented treatment.
